MEMORANDUM FOR: Assistant for Information, DDA

25X1 FROM : [REDACTED]
Chief, Records Administration Branch

25X1 SUBJECT : List of CIA Material Requested, But Not Reviewed,
by the HSCA [REDACTED]

1. On 28 November Jackie Hess of the House Select Committee on Assassinations (HSCA) requested that a list be compiled of material requested, but not as yet reviewed, by the HSCA. This request was orally made to CIA representatives meeting to discuss the eventual disposition of CIA materials reviewed by the HSCA (see tab C MFR). [REDACTED]

2. In order to comply with Ms. Hess' request, appropriate Agency components were requested to undertake a review of their records to determine if such a listing could be compiled on short notice. The following is the result of this undertaking:

25X1 a. DDO: [REDACTED] reported that all knowledgeable DO personnel were involved full time with the priority review of HSCA draft reports and related matters. Therefore, the DO did not have the resources to compile the requested list. He further reported that about a third of the material held in the DO had not been reviewed.

25X1 b. DDS&T: [REDACTED] stated that such a list was outside the responsibilities of the 28 November group and that the group's concern should be limited to the disposition of HSCA CIA material.

25X1 c. NFAC: [REDACTED] reported that 15-20 documents on
25X1 [REDACTED] had been assembled for the HSCA but never reviewed.

25X1 d. OS/DDA: [REDACTED] stated that the matter of
unreviewed material had been handled directly through the OLC.
